

FOREST RESOURCES DEVELOPMENT
PHASE II : 2010-2011 (PMVRMF - Volet II)

Gatineau, August 27th 2010 - The CRÉO (Conférence régionale des élus de l'Outaouais) invites promoters interested in the protection and development of the forest resources to present, **no later than September 30th, 2010**, their projects in the Forest Resources Development Program, Phase II.

The aim of this program is to support projects of a silvicultural, fauna, recreational, educational or environmental nature which stimulate economic and social development in the Outaouais region. Consequently, this program is a means of promoting job creation and implicating the community in the management of diverse forest resources.

The CRÉO manages the funds in collaboration with the MRC Pontiac, the MRC Collines-de-l'Outaouais, the MRC Papineau and the MRC Vallée-de-la-Gatineau.
