SO THAT EVERYONE CAN ENJOY IT

SAFETY EQUIPMENT REQUIRED BY TYPE OF CRAFT

PADDLEBOARDS, PEDAL BOATS, WATER BIKES, KAYAKS WITH CLOSED HULLS AND/OR CLOSED COCKPITS

SAFETY EQUIPMENT REQUIRED:

- Approved flotation device ,
- Floating heaving line of at least 15m ,
- Reboarding device if freeboard greater than 0.5m
- Manual bailer or bilge pump ,
- Watertight flashlight if boat +6m ,
- Sound signaling device
- Navigation light if used before or after sunset

IF FLOTATION DEVICE IS WORN, THE ONLY EQUIPMENT REQUIRED ARE:

- Approved flotation device
- Audible signaling device

CANOES, KAYAKS, ROWING BOATS, SKIFFS, OTHER HUMAN-POWERED CRAFT

SAFETY EQUIPMENT REQUIRED:

Approved flotation device ,

Floating heaving line of at least 15m ,

Reboarding device if freeboard greater than 0.5m

Manual bailer or bilge pump ,

Watertight flashlight if boat +6m ,

Sound signaling device

Navigation light if used before or after sunset

SAILBOARDS, KITEBOARDS

SAFETY EQUIPMENT REQUIRED:

Approved flotation device ,

Floating heaving line of at least 15m ,

Reboarding device if freeboard greater than 0.5m

Manual bailer or bilge pump ,

Watertight flashlight if boat +6m ,

Sound signaling device

Navigation light if used before or after sunset

IF FLOTATION DEVICE IS WORN, THE ONLY EQUIPMENT REQUIRED ARE:

Approved flotation device

Audible signaling device

PERSONAL WATERCRAFT

SAFETY EQUIPMENT REQUIRED:

Approved flotation device ,

Floating heaving line of at least 15m ,

Reboarding device if freeboard greater than 0.5m

Manual bailer or bilge pump ,

Watertight flashlight if boat +6m ,

Sound signaling device ,

Navigation light if used before or after sunset

Fire extinguisher 5BC ,

Manual propulsion device or anchor with 15m cable ,

Competency card ,

IF FLOTATION DEVICE IS WORN, THE ONLY EQUIPMENT REQUIRED ARE:

Approved flotation device

Audible signaling device

Watertight flashlight

Competency card ,

RESTRICTION

-
- Must be at least 16 years of age
-

MOTORBOATS 0 TO 6 M (0' TO 19'.68")

SAFETY EQUIPMENT REQUIRED:

Approved flotation device ,

Floating heaving line of at least 15m ,

Reboarding device if freeboard greater than 0.5m

Manual bailer or bilge pump ,

Watertight flashlight if boat +6m ,

Sound signaling device ,

Navigation light if used before or after sunset

Fire extinguisher 5BC ,

2nd 5BC fire extinguisher if cooking or heating appliance ,

Manual propulsion device or anchor with 15m cable ,

IF INBOARD MOTOR:

Flame guard ,

Engine compartment ventilation ,

Noise reduction mechanism ,

Competency card ,

Carte de compétence ,

ENGINE POWER RESTRICTIONS

- (1) Under 12, unaccompanied and directly supervised, maximum 10 HP (7.5 kW).
- (2) 12 and under 16, unaccompanied and directly supervised, maximum 40 HP (30 kW) and prohibited from driving a personal watercraft.
- (3) 16 and over, no restrictions on engine power.

MOTORBOATS 6 TO 9 M (19'.68" TO 29'.6")

SAFETY EQUIPMENT REQUIRED:

Approved flotation device ,

Floating heaving line of at least 15m ,

Reboarding device if freeboard greater than 0.5m

Manual bailer or bilge pump ,

Watertight flashlight if boat +6m ,

Sound signaling device ,

Navigation light if used before or after sunset

Fire extinguisher 5BC ,

2nd 5BC fire extinguisher if cooking or heating appliance ,

Manual propulsion device or anchor with 15m cable ,

IF INBOARD MOTOR:

Flame guard ,

Engine compartment ventilation ,

Noise reduction mechanism ,

Competency card ,

ENGINE POWER RESTRICTIONS

- (1) Under 12, unaccompanied and directly supervised, maximum 10 HP (7.5 kW).
- (2) 12 and under 16, unaccompanied and directly supervised, maximum 40 HP (30 kW) and prohibited from driving a personal watercraft.
- (3) 16 and over, no restrictions on engine power.

MOTORBOATS 9 TO 12 M (29',6" TO 39',4")

SAFETY EQUIPMENT REQUIRED:

Approved flotation device ,

Floating heaving line of at least 15m ,

Reboarding device if freeboard greater than 0.5m

Manual bailer or bilge pump ,

Watertight flashlight if boat +6m ,

Sound signaling device ,

Navigation light if used before or after sunset

Fire extinguisher 10BC ,

2nd 10BC fire extinguisher if cooking or heating appliance ,

Anchor with 30m cable ,

Bilge bailer or manual bilge pump or bilge pumping equipment ,

Magnetic compass, radar reflector if less than 20m and made of non-metallic material ,

Navigation light ,

IF INBOARD MOTOR:

Flame guard ,

Engine compartment ventilation ,

Noise reduction mechanism ,

Competency card ,

ENGINE POWER RESTRICTIONS

- (1) Under 12, unaccompanied and directly supervised, maximum 10 HP (7.5 kW).
- (2) 12 and under 16, unaccompanied and directly supervised, maximum 40 HP (30 kW) and prohibited from driving a personal watercraft.
- (3) 16 and over, no restrictions on engine power.

MOTORBOATS 12 TO 24M (39',4" TO 78',9")

SAFETY EQUIPMENT REQUIRED:

Approved flotation device ,

Floating heaving line at least 15m long ,

Lifebuoy with line and automatic light ,

Reboarding device, if freeboard greater than 0.5m ,

Waterproof flashlight ,

Sound signaling device (2) ,

Navigation light if used before or after sunset ,

Fire extinguisher 10BC ,

2nd 10BC fire extinguisher if cooking or heating appliance ,

Anchor with 50m cable

Axe ,

2 buckets capacity 10litres ,

Bilge draining system ,

Magnetic compass, radar reflector if less than 20m and made of non-metallic material ,

Navigation light ,

IF INBOARD MOTOR:

Flame guard ,

Engine compartment ventilation ,

Noise reduction mechanism ,

Competency card ,

ENGINE POWER RESTRICTIONS
